# How To Place Out-Of-Town Calls

It's easy and inexpensive to place an Out-of-town call. Just read the following instructions and see rate pages for illustrative rates.

#### STATION-TO-STATION CALLS

A station-to-station call is one on which you talk to anyone who answers at the called telephone. To place such a call give the "Long Distance" operator your instructions in the following manner:

If you know the number, say, for example, "I want Lincoln, Nebraska, telephone number 2-2456." If you do not know the number, say, for example, "I want Lincoln, Nebraska, John Doe's residence," or I want Lincoln, the Brown Manufacturing Company."

Station-to-station calls require less operator labor, less use of Long Distance lines and other facilities and for this reason the rates are less. Charges begin as soon as the called telephone is answered and are based on an initial period of three minutes. Where the rate is 25 cents or less the initial period is five minutes.

#### PERSON-TO-PERSON CALLS

A person-to-person call is one on which you wish to speak to a particular individual at the called telephone, or to a particular department of a business concern. To place such a call give the "Long Distance" operator your instructions in the following manner:

If you know the number, say, for example, "I want Lincoln, Nebraska, Mr. John Smith at 2-4531." If you do not know the number, say for example, "I want Lincoln, Nebraska, Mr. John Smith of the Blank Manufacturing Company."

Rates for person-to-person calls are based on an initial period of three minutes. Charges begin as soon as you start to talk to the individual or department you have designated.

#### DAY RATES

Day rates are in effect from 4:30 A. M. to 7:00 P. M. every day except Sunday on all classes of Out-of-town calls.

#### NIGHT RATES

Reduced rates are in effect from 7:00 P. M. to 4:30 A. M. daily, and all day Sunday. This applies to all classes of Out-of-town calls on which the station-to-station day rate is 40 cents or more. The minimum **reduced** rate is 35 cents.

#### SUNDAY RATES

Sunday rates are in effect from 7:00 P. M. Saturday to 4:30 A. M. the following Monday on all classes of Out-of-town calls. During this period the regular night rates are in effect.

#### REVERSAL OF CHARGES

Subject to acceptance by anyone at the called station, charges may be billed to the called station without extra charge on all classes of Out-of-town calls except station-to-station calls on which the initial period rate is 20 cents or less, in which case the reversed rate is slightly higher.

#### MESSENGER SERVICE

When it is necessary to send a messenger to summon the person called to a telephone, the cost of such messenger service is added to the person-to-person rate which applies to the call.

#### SPECIAL INSTRUCTIONS

Special instructions to the operator such as requests to notify you when the initial period has expired or requests to inform you the amount of the charges for the call, should be made at the time the call is placed.
